

5. Following Up On Members, New Converts & Challenged Brethren — Acts 15:36

- We must be diligent to follow up on anyone not in fellowship immediately after fellowship (same day) — Pro. 27:23
- Make a point to visit challenged brethren and new converts — Acts 14:21-22

Effect:

- ✓ A cell replicated 3 times in 1 year, another cell replicated 4 times within 3 years

6. Focus On Cell Members' Care — Gal. 6:2

- The love we administer to the challenged is a sickle of harvest — 1 Jhn. 3:18
- Meeting practical needs to the best of our abilities and escalating genuine matters beyond our capacity for attention — Rom. 12:15

Effect:

- ✓ A cell 4 replicated 3 times in 1 year, while another cell replicated 5 times within 3 years

These are some of the proven strategies that we have seen in up to 15 replications from one cell — Jer. 6:16

Expect supernatural growth and replication as you engage the same — Acts 10:34

Proven Strategies FOR Cell Growth AND Replication

Introduction

We experienced supernatural explosion in terms of growth in our cell system in the year 2021.

In the course of the prayer and fasting of that year, among other things, God declared that the number of cells in every local assembly shall be double and while asking God the approach to realize this 'tall' order, the Lord directed that we study the approach of all successful cell grower and replicators within our system, find out what they did, how they did it and what came out of it, this in line with the Word that state, "That ye be not slothful, but followers of them who through faith and patience inherit the promises." — Heb. 6:12

We gathered the data and analyzed them, published our findings, ran a seminar with

all cell ministers and the result in Lagos was the birth of over 21,000 cells in one year.

We look forward to experiencing another wave of explosive cell growth and replication this year as we commit with these proven strategies:

1. Engagement of The Prayer Altar

— Acts 6:4

- Everything in the kingdom demands the force of prayer for effective delivery — *Phi. 4:6*
- But our prayers must focus on the growth and replication of the cells pre-cell outreach raids and for the needs of members in the cells — *1 Cor. 3:6/ Jhn. 6:44/ Gal. 6:2*)

Effect:

- ✓ A cell replicated 15 times in 3 years, and another cell replicated 7 times within 4 years

2. Engagement in Soul Winning

— Acts 8:5

- We must seek for how to preach Christ from house to house amongst others in any community where our cell is located, both as individuals and soul winning partnerships — *Act 5:42*
- Outreaches can also be carried out in virgin areas with the aim of planting new cells in the homes of the new converts — *Acts 8:5*
- Customised flyers indicating the cell locations may also be used in this case!

Effect:

- ✓ We saw a cell replicate 13 times in 4 years
- ### **3. Engaging The Missionary Cell Minister Model** — *Rom. 15:20*
- Ministers may be sent on missionary tasks into locations to plant cells — *Mak. 16:15*
 - The aim is to develop disciples within the space of a month and hand over to those within the community — *Mat. 28:19-20*
 - Our goal is to ensure that every virgin area within reach is invaded with cells this year.

Effect:

- ✓ A cell replicated 3 times in 3 months.
- ### **4. Engaging The Power of Impactful Cell Meetings** — *Pro. 16:1*
- This requires adequate word preparation for each meeting — *Pro. 16:1*
 - Word increase will result in eruption for each cell — *Acts 6:7*
 - Engage the mysteries (the Anointing Oil, the Blood of Sprinkling etc.) to prepare the environment for impactful meetings! — *Eph. 3:10-11*

Effect:

- ✓ A cell replicated 5 times within 1 year, another replicated 9 times within 3 years
